

Joan Devenny

Six years ago I moved to Hythe and quickly became immersed in the local community. I am an active member of St. Leonard's church, volunteering at the 101 open door project and helping on school days.

As a semi-retired nurse with 40 years' experience in mental health/dementia, and mum of two adults; I was delighted to be invited to join the Board of Governors.

I am passionate about learning and believe that all children can succeed with the right encouragement and support.

It is my hope as a Foundation PCC Governor to become involved in the life of Hythe Bay School where appropriate.
