

Spending time together as a family benefits your children in many ways.

Year 5/6

FAMILY ACTIVITIES

Bake a seasonal cake.

Go on a walk. What seasonal changes can you spot? Could you record this in an interesting way?

Make a pyramid out of cardboard.

Write your own Egyptian mystery story.

Choose a river and create a fact file about it.

Choose a continent. Create a 3D map of the rivers in that continent.

Design and create an original Christmas decoration to hang on our Christmas tree.

Design and create an Egyptian mask.

Create your own fitness circuit. Can you film yourself demonstrating each exercise?

Write a rap about something you have learnt this year. You may want to film yourself performing it.

Find out about the work that Children in Need does and how the money raised is used.

Bake cakes for our Children in Need cake sale. (Needed for Friday 15th November please)

If you have time, choose an activity to do and send us some photographs!
