William Admiral	Arlo Commodore

- Mrs Hughes explained that Zach is no longer at our school so Elliot is now the representative for Deep Sea Divers.
- We talked about playtimes and the new playground equipment and some children were worried that not all children were looking after the equipment. We discussed what could be done about this and the school council thought it would be a good idea to lead an assembly to remind children about playground rules and behaviour.
- We again discussed the need for some way for children who are sad or lonely outside to let others know. It was decided that we would

again talk to the PTFA about purchasing a friendship stop.

- The children said that they were continuing to enjoy the new playground games that Mr Porter (the new sports coach) had taught them.
- Mrs Hughes explained that we were looking to see how much it would cost to have the netball court lines repainted. Once this was done it was decided to use the raffle money from Christmas to purchase new netball posts.
- One council member said that he thought that giving out sweets on children's birthdays was an unhealthy thing to do. There was some discussion and the idea was put forward to write to parents and see what they thought about it.
- Mrs Hughes was reminded that she needed to update the photograph board.
- It was decided that we would write to the PTFA to thank them for all of their hard work and support.

There was no other business so the meeting was closed.

The next meeting is planned for 27th April 2020
