Good Evening

Newsletter 35

It's been another busy week at Hythe Bay, we were visited by all the Headteachers from the local schools on Monday and yesterday we had a full Health and Safety audit by the Local Authority – both events were very successful. Y6 have been learning how to calculate the area and perimeter of compound shapes. Y5 have been sampling and learning the names of food in French. Y3/4 have been learning about subordinate clauses. Y1/2 had a wonderful trip on the Light railway to Dungeness as a great start to their topic on Lighthouses. YR have been learning about sea creatures.

It is really important that children in YR1 and 2 read their Little Wandle books every week online. Children read their books in school on Monday, Tuesday and Wednesday and have a phonics lesson every day. Teachers then allocate the books carefully tailored to match the teaching that has taken place in class to children so they can practise their reading at home. All the educational research tells us that children who practise reading at home achieve higher reading levels. You will have received log in details for this online reading system. If you are unsure how to access these books or have mislaid the login details, talk to your child's class teacher and she will be able to help you.

Today the charity Feed the Hungry were in school. You will remember that the donations collected from all the Christmas productions were to support this charity. Today, after a really interesting assembly, Y6 have been making up food bags for children in war torn and famine ridden countries. At Christmas we raised enough to make 5,000 rice bags and today the Y6 production line has weighed, mixed and packed 5,000 bags for distribution in Burkina Faso. Have a look at the photos on the school Facebook page – the hair and beard nets on staff are particularly attractive!

The Friends of Hythe Bay have also been working with some children today, helping them select Father's Day gifts ready for the celebrations on Sunday. Thank you to everyone who has helped today.

Many of you have been asking about Sports Day which will be held on Monday 18th July - this year KS2 will be in the morning (9.30am) and KS1 in the afternoon (1.30pm) if you would like to make a day of it you can bring a picnic lunch to enjoy with your children on the field or join the children for a school lunch in the hall. Adult school lunches would need to be booked in advance by Monday 11th July at the office and will cost £2.95.

Hythe Bay took part in a Cricket Tournament at the Hythe Cricket Club yesterday and our team came first. Marvellous!

As the weather is warning up, just a reminder that children need sun cream, hats and plenty of water in school to keep them fully hydrated please.

Have a great weekend
