

Numbers to 100

- Help your child read and write the numbers to 100
- Help them to see the patterns in the 100 square
- Help them to count forwards and backwards
- Help them to work out the number
- one less than ... and one more than...
- Help them to tell you a number between ... and ...
- Help them to count in 2s and 5s and 10s.
- Help them to see that the first digit in a two digit number tells you the groups of 10 and the last digit tells you the ones left over or the units.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100
