

**Julia Comber**

I have been a Governor at Hythe Bay 2011, originally as a Parent Governor and now as a Co-opted Governor.

My work life has given me a wide range of experiences. I was a ceremonies officer and registrar of marriages, civil partnerships, births and deaths at KCC for 12 years. I also ran a small corporate clothing company. Currently, I am a Dental Practice Manager.

My daughter was a pupil at Hythe Bay and I have enjoyed a long association with the School. I am proud to be a Governor at such a vibrant school.
