

HYTHE BAY

Church of England
Primary School and
Children's Centre

Phase 3 *Phonics*

Phase 3

The purpose of this phase is to:

- teach more graphemes, most of which are made of two letters, for example, 'oa' as in **boat**
- practise blending and segmenting a wider set of CVC words, for example, **fizz, chip, sheep, light**
- learn all letter names and begin to form them correctly
- read more tricky words and begin to spell some of them
- read and write words in phrases and sentences.

CVC words containing graphemes made of two or more letters

Here are some examples of words your children will be reading: **tail, week, right, soap, food, park, burn, cord, town, soil**

Their confidence from the daily experience of practising and applying their phonic knowledge to reading and writing is really paying off!

Tricky words-The number of tricky words is growing. These are so important for reading and spelling: **he, she, we, me, be, was, my, you, her, they, all.**

Ways you can support your child at home

Sing an alphabet song together.

Play 'I spy', using letter names as well as sounds.

Continue to play with magnetic letters, using some of the two grapheme (*letter*) combinations:

r-ai-n = rain blending for reading

rain = r-ai-n – segmenting for spelling

b-oa-t = boat blending for reading

boat = b-oa-t – segmenting for spelling

h-ur-t = hurt blending for reading

hurt = h-ur-t – segmenting for spelling

Praise your child for trying out words.

Ask teachers for a list of the tricky words.

Set a timer. Call out one word at a time and get your child to spell it on a magic board or a small whiteboard, against the timer – remember, they can use magnetic letters.

Play 'Pairs', turning over two words at a time trying to find a matching pair. This is especially helpful with the tricky words: **the the, to to, no no, go go, I I**

Don't worry if they get some wrong! These are hard to remember – they need plenty of practice.
