

Mr Jon Jansen-Alder

I am a qualified Solicitor and Company Secretary and a former pupil of the school when it was Hythe Infants. My wife and I recently moved back to Hythe with our two boys. Our eldest started in the school's reception class in September and our youngest will attend the Hythe Bay nursery.

I value education highly and feel it is important to create an environment whereby our children are valued and given the opportunity to grow and develop their skills and confidence. I strongly support our school to excel and enable our children to gain a solid foundation to allow them to reach their full potential across all areas of school life.

The voice of the parents is so important in the running of the school and I believe I have the attributed and character to ensure that the parent voice is heard.

I have financial management experience as I oversee the performance of a large legal department, ensuring its money is well spent. It would be a privilege to use my financial management experience as well as my legal and company secretarial skills to 'give back' to the community and in particular to the school which taught me to read and write.

Therefore, I would be delighted to be given the opportunity to become a Governor, to make a meaningful contribution to the Governing Body and make a difference in the education, of not just my sons, but to the school as a whole.
