

Starfish Newsletter

Dear parents,

This week we have been reading the story 'Stick Man' by Julia Donaldson. Children have saved Stick Man from ice using things like warm water and hair dryers, made their own versions of stick people using sticks and other craft, painted using stick and leaf 'paintbrushes' and decorated a large branch by weaving wool and crepe paper around the smaller twigs.

In maths, we have been comparing different amounts by using the words more and fewer. We have also been investigating sharing small amounts.

In phonics, we have learnt the sounds h and b and have been reading and writing words with these sounds in. Corkette our resident crow has also been setting the children challenges where the children have to search around the classroom for words with these sounds in. We have also written speech bubbles for Stick Man.

We have been busy practising our Christmas play this week. Thank you to those of you who have brought in costumes. Please let us know if there are any problems with finding a costume as we have a couple in school that can be borrowed if necessary.

Have a lovely weekend,

Starfish Team
