

Year 3/4 Homework Term 5 Blooming Marvellous

Remembering	Understanding	Applying	Analysing	Creating	Evaluating
Make a poster that teaches what we have been doing in maths this week.	What is a meteorologist? Draw a picture of an meteorologist and make a list of hard and soft skills that they require?	Think back to fractions from last term. Can you create a poster to explain/ show equivalent fractions.	YOU CHOOSE	Draw a map of Kathmandu and label its features.	Find some books/articles about gardening. Think about how they are useful to inexperienced gardeners.
Write a poem or a rap that teaches someone about an aspect of our topic e.g. plants, biscuits	Research the climate in Kathmandu. How does it compare to the climate in the UK.	Research why exercise has a positive effect on mental health and create a poster or leaflet.	Plant a seed and monitor, keep a diary over time.	Create a collage inspired by Cas Holmes.	Interview a family member about their experiences of gardening? You could write this down or video the interview.
Create a diagram or piece of art to show the different parts of a plant.	Make a video to help you teach an aspect of yoga. Explain the benefits of this.	Write a recipe for a healthy snack.	Choose a piece of music that represents an element of nature, explain why.	Make or decorate biscuits.	YOU CHOOSE

Please select one homework task each week, ensuring that you select your task from a different column each week. This will ensure that a variety of different skills are practised.

When you have completed the task, colour in the matching colour on the rainbow and bring your work in every Tuesday.

We will not be setting additional homework, but expect that your child will continue to read every day and practise their times tables and weekly spellings.
