School Newsletter

6th November 2026

We're inviting families to help support our Reverse Advent Calendar to support the Rainbow Centre this year. We've attached this year's calendar, which focuses on Christmassy items that will be distributed to families in time for Christmas. Your donations make an incredible difference to our community. Thank you for your support.

Year 6 Return from Residential

Our Year 6 pupils have returned from their adventures and have had a fabulous week . I think we can all agree that Mrs East, Mrs Taylor and Mrs Moffatt deserve a very big show of appreciation for looking after the group so well.

Learning Highlights Across the School

Reception – It's been lovely to see our Reception class learning about historical vocabulary and thinking about what it was like when they were babies.
Year 1/2 – Our young historians explored the school museum that was set up specially for them this week.
Year 3/4 – Started their topic about the Romans, making shields and learning about the Testudo formation (I had to look it up too!).
Year 5 – Began learning about the layers of the ocean and created the most amazing dioramas.

Important Updates

Parents' Evening Sign-Up – The sign-up process has changed and will now be through the Arbor app, going live from Monday afternoon. If you have any problems, please call the office.

Hockey Club – Will be starting for Years 3-6 next Thursday. Please sign up if your child would like to attend.

A huge thank you to the Friends of Hythe Bay for organising this evening's firework display.
Have a wonderful weekend!
